

alexandra terry

STRELITZIA (O.S):
Big brother.

alexandra terry

S:
Big brother.

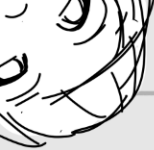

S (O.S):
I thought I'd find you here.

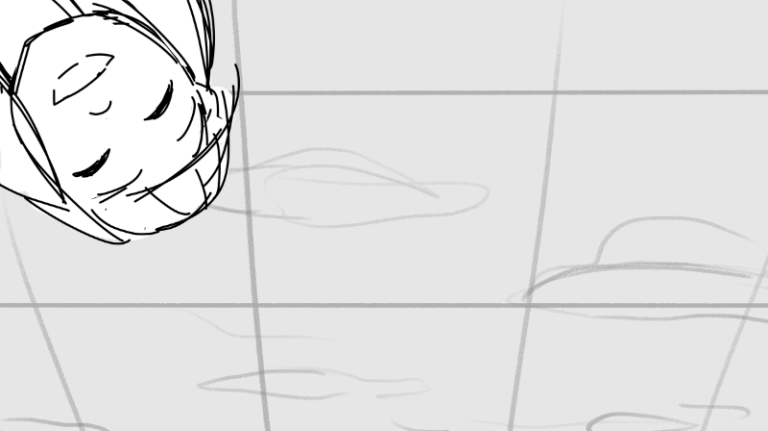

(Strelitzia can be heard walking thru flowers)

S:
Napping again?

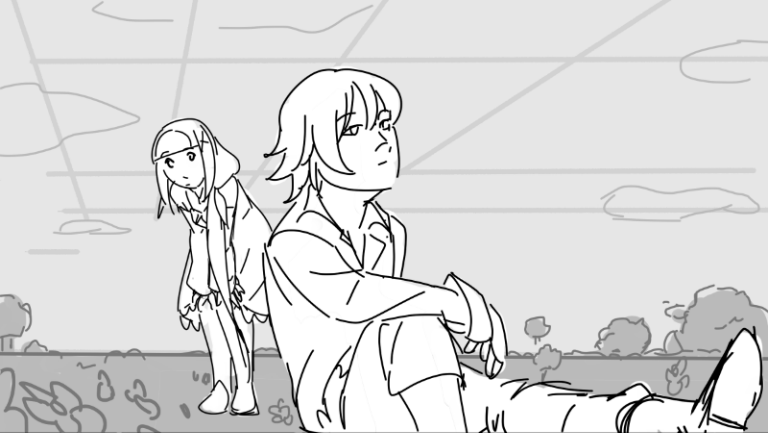

LAURIAM:
Well,

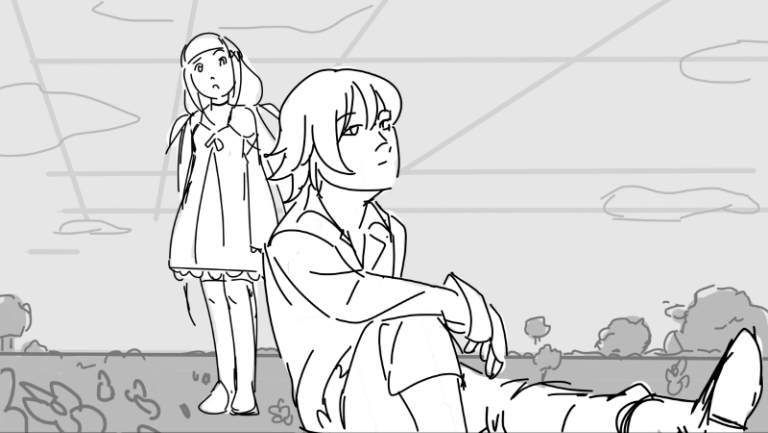

LAURIAM:

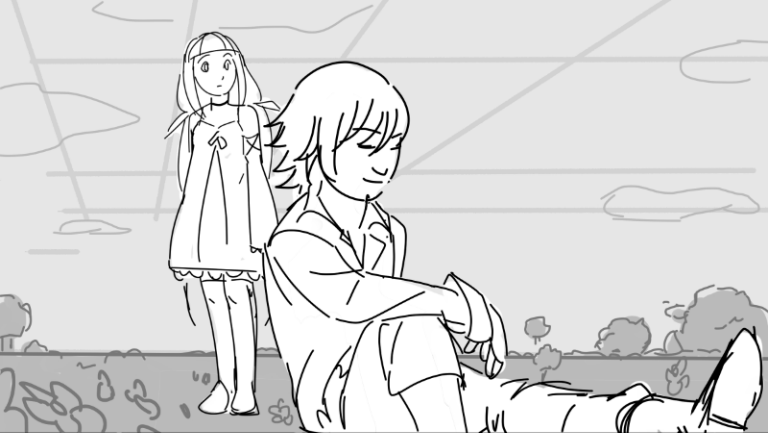

I've already collected my share of Lux for the day.

S:
Huh?

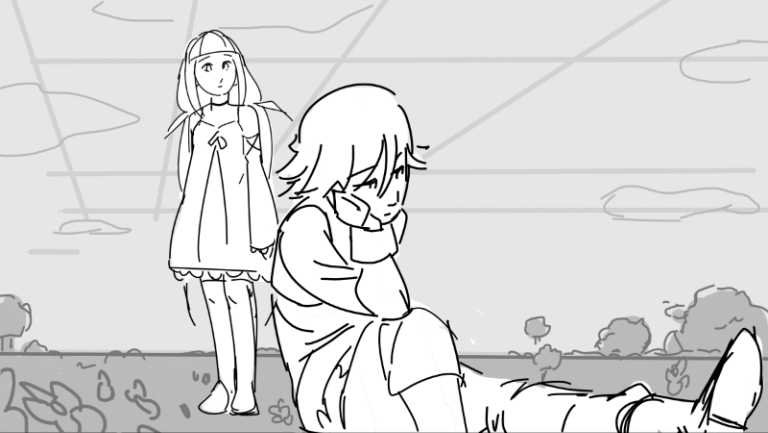

S:
But it's only the afternoon?

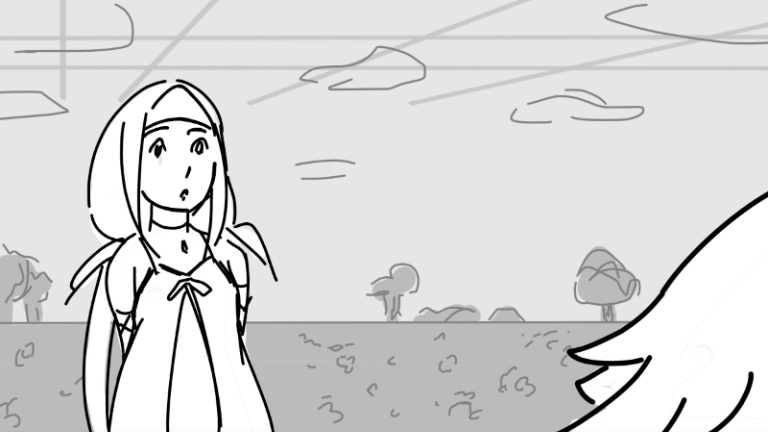

L:

Got it all done in the morning.

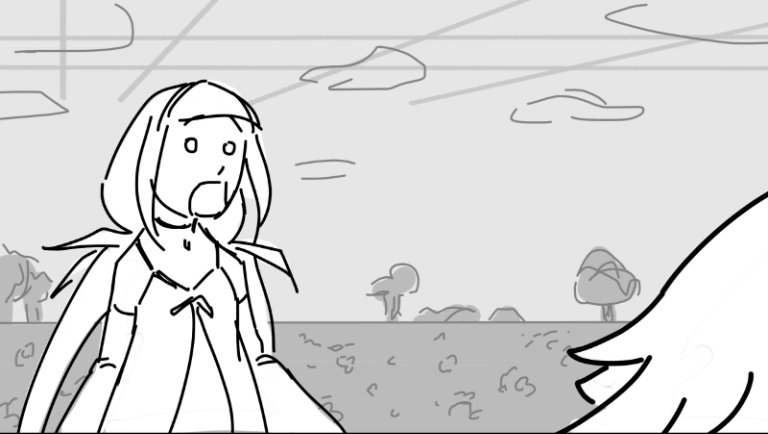

L:

All we have to do is take out a few monsters.

L:
It couldn't get any easier.

L:

Why are you making that face?

S:

Ah, ah, ah, I'm stunned! You're a prodigy, big brother.

S: My jaw literally dropped.

L: Hahahaha!

alexandra terry

S:

Well, I for one had a pretty tough time chasing those monsters around today.

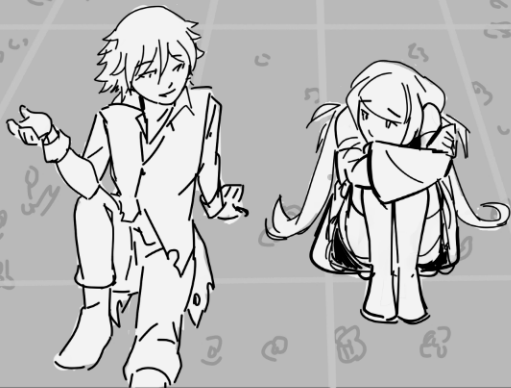

S:

Well, I for one had a pretty tough time chasing those monsters around today.

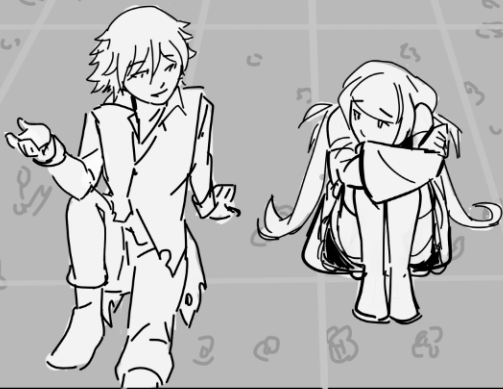

S:
Again.

L:

But Strelitzia, your magical prowess is so much greater than mine.

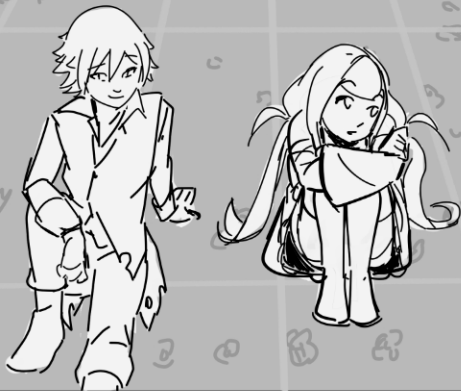

L:
If you were to center yourself, you'd finish early no problem.

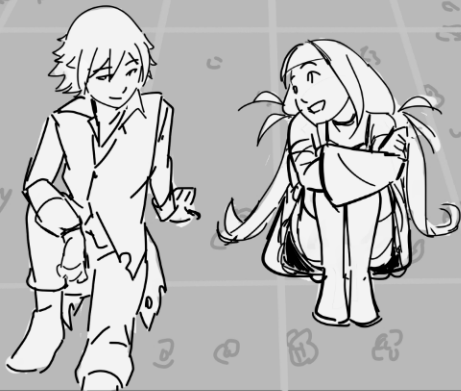

S:

(sighs) I just can't seem to do that...

S:

Unless...you'd be my vanguard, while I protect the rear~

S:
What if we teamed up~?

L:

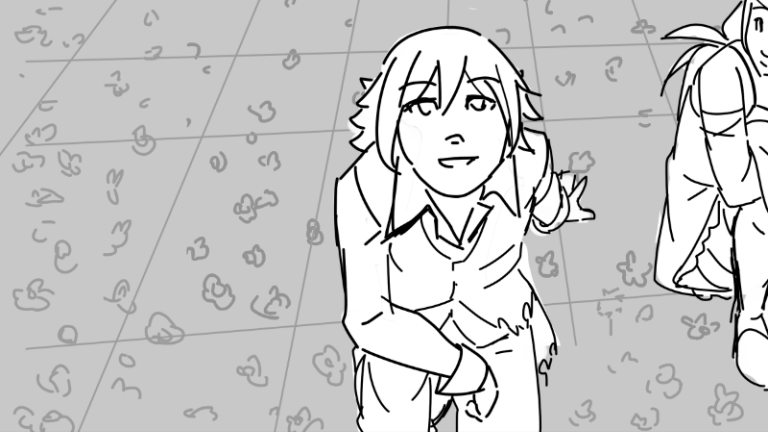

That's not going to help you, now, is it?

L:

Once you're stronger—strong enough to protect me—I'll think about it.

L:

Let's say, strong enough to carry me on your back?

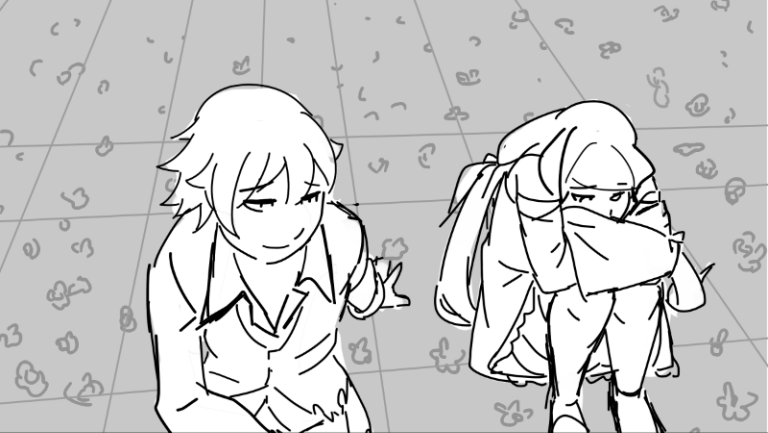

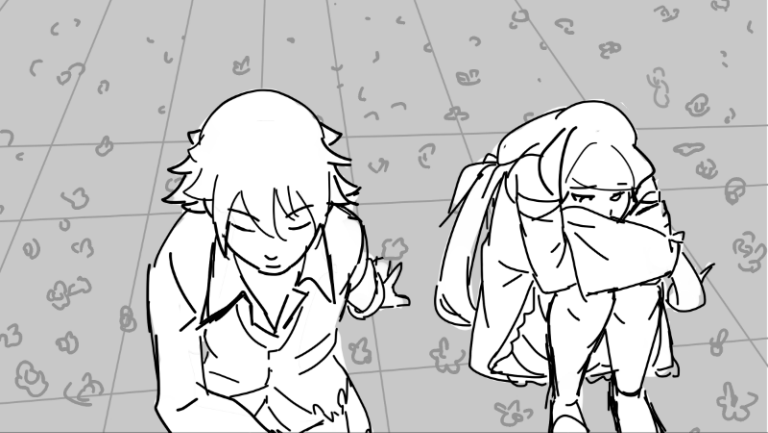

S:
What?!

S:

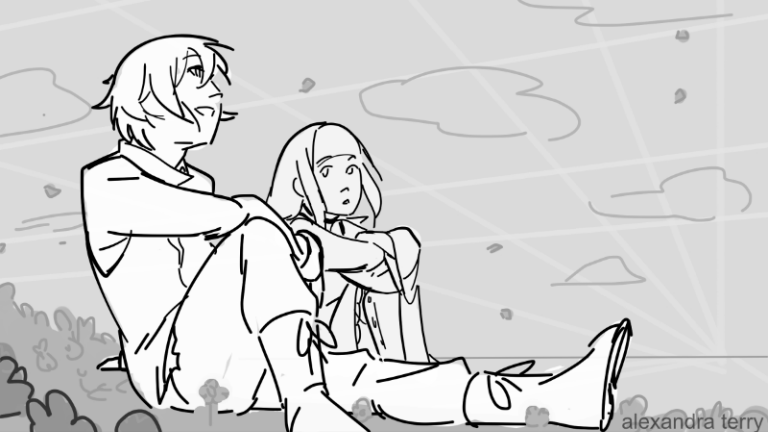

That'll never happen.

L:
Anyway,

L:

I wanted to talk to you about the Dandelions.
